

LEGEND

Skiers should be advised that a green circle, blue square or black diamond at Keystone is not necessarily the same as a green circle, blue square or black diamond at other resorts. The system is a relative rating of trails at each resort and does not compare trail difficulty between resorts. Skiers and riders should begin with the easiest terrain and then move up to difficulty as their ability permits in order to understand the relative rating at Keystone.

 Easiest . . . 19%
 More Difficult . . . 32%
 Most Difficult . . . 49%

Know the Code
 THE NSAA RESPONSIBILITY CODE
 1. Stay in control.
 2. People ahead have the right of way.
 3. Stop in a safe place for you and others.
 4. When starting downhill or merging, look uphill and yield.
 5. Use devices to help prevent runaway equipment.
 6. Observe signs and warnings and keep off closed trails.
 7. Know how to use the lifts safely.

Smart Style
 LOOK BEFORE YOU LEAP:
 Scope around the jumps first, not over them, know landings are clear, and clear yourself out of the landing area.
EASY STYLE IT!
 Start small and work your way up, inverted aeriels not recommended.
RESPECT GETS RESPECT:
 From the liftline through the park.
